

Monterey

Russ Tolman

The people came and listened
Some of them came and played
 Others gave flowers away
Yes, they didDown in Monterey
Down in MontereyYoung Gods smiled upon the crowd
 Their music being born of love
 Children danced night and day
Religion was being bornDown in MontereyThe birds and the airplane did fly
 Oh, Ravi Shankar's music made me cry
 The Who exploded into fire and light
Hugh Masekela's music was black as nightThe Grateful Dead
 Blew everybody's mind
 Jimi Hendrix, baby
Believe me, set the world on fire, yeahHis Majesty, Prince Jones smiled
 As he moved among the crowd
 Ten thousand electric guitars
Were groovin' real loud, yeahYou wanna find the truth in life
 Don't pass music by
 And you know, I would not lie
No, I would not lie, no, I would not lieDown in Monterey
 AlrightThree days of understanding
 Of moving with one another
 Even the cops grooved with us
Do you believe me, yeah?Down in Monterey
 Down in Monterey, yeah
 Down in Monterey
Down in Monterey, yeahI think that maybe I'm dreamin'Monterey
 Monterey, yeah
 Down in Monterey
Did you hear what I said?Down in Monterey
 Down in Monterey
I said, Monterey, Monterey, Monterey
 Yeah, yeah
