

# Bring Me Down

[Miranda Lambert](#)

Sweet like a kiss, sharp like a razor blade  
I find you when I'm close to the bottom  
You can't appreciate the time it takes  
To kick a love I always knew was kind of wrong  
And as I'm putting out the flame  
Somebody brings up your name  
Oh oh oh oh  
Baby baby baby, bring me down  
I wanna be right where you are  
Baby baby baby, bring me down  
You can look me in the eye and break my heart  
Break my heart  
Six a.m. unruffled pillow  
Laughs out loud at my trusting heart  
If like I didn't see the penny  
I missed the fountain by a couple yards  
You would only stay gone  
  
Maybe I could move on  
Oh oh oh oh  
Baby baby baby, bring me down  
I wanna be right where you are  
Baby baby baby, bring me down  
You can look me in the eye and break my heart  
Oh, baby baby baby, bring me down  
I wanna be right where you are  
Baby baby baby, bring me down  
You can look me in the eye and break my heart  
Oh, baby baby baby, bring me down  
I wanna be right where you are  
Baby baby baby, bring me down  
You can look me in the eye and break my heart  
Break my heart  
Bring me down
