Hi-roller Baby

Joe Walsh

Hi roller baby come on and take a chance on me
Hi roller baby come on and take a chance on me
The days of summer are almost over
Let me know what you decided
Let me know if you never tried it
You can go if you don't like it
But if you want to gamble
You can always throw the dice
Hi roller baby come on and take a chance on me

Hi roller baby, we could be good, just you and I
It's a hustle yeah you got your stories
You say you're old and you're 25
It's a dirty world but you're not frightened
Your so sure you're so enlightened
But you see something in my eyes
That you've never seen before
Hi roller baby come on and take a chance on me
Hi roller baby, we could be good, just you and I
