

# Arc Of A Diver

Steve Winwood

She bathes me in sweetness, I cannot reveal  
For sharing dreams I need my woman  
This humble expression meagerly dressed  
My eyes so mean, it has no meaning But jealous night and all her secret chords  
I must be deaf on the telephone  
I need my love to translate I play the piano, no more running honey  
This time to the sky I'll sing if clouds don't hear me  
To the sun I'll cry and even if I'm blinded  
I'll try moon gazer because with you I'm stronger  
I'm stronger, I'm stronger Arc of a diver effortlessly  
My mind in sky and when I wake up  
Daytime and nighttime I feel you near  
Warm water breathing, she helps me here But jealous night and all her secret chords  
I must be deaf on the telephone  
I need my love to translate This time to the sky I'll sing if clouds don't hear me  
To the sun I'll cry and even if I'm blinded  
I'll try moon gazer because with you I'm stronger And jealous night and all her secret chords  
I must be deaf on the telephone  
I need my love to translate This time to the sky I'll sing if clouds don't hear me  
To the sun I'll cry and even if I'm blinded  
I'll try moon gazer because with you I'm stronger Lean streaky music spawned on the streets  
I hear it but with you I have to go  
'Cause my rock 'n' roll is putting on weight  
And the beat it goes on Arc of a diver effortlessly  
My mind in sky and when I wake up  
Daytime and nighttime I feel you near  
Warm water breathing, she helps me here But jealous night and all her secret chords  
I must be deaf on the telephone  
I need my love to translate With you my love we're going to raid the future  
With you my love we're going to stick up the past  
We'll hold today to ransom  
'Til our quartz clock stop until yesterday  
Oh, until yesterday, until yesterday  
'Til our quartz clock stops
