

# Highway Don't Care

Tim McGraw

Bet your window's rolled down and your hair's pulled back  
And I bet you got no idea you're going way too fast  
You're trying not to think about what went wrong  
Trying not to stop 'til you get where you goin'  
You're trying to stay awake so I bet you turn on the radio and the song goes I can't live without you, I can't live  
without you, baby  
I can't live without you, I can't live without you, baby, baby The highway won't hold you tonight  
The highway don't know you're alive  
The highway don't care if you're all alone, but I do, I do.  
The highway won't dry your tears  
The highway don't need you here  
The highway don't care if you're coming home, but I do, I do. I bet you got a dead cell phone in your shotgun  
seat  
Yeah, I bet you're bending God's ear talking 'bout me.  
You're trying not to let the first tear fall out  
Trying not to think about turning around  
You're trying not to get lost in the sound but that song is always on, so you sing along I can't live without you, I  
can't live without you, baby  
I can't live without you I can't live without you baby, oh baby The highway won't hold you tonight  
The highway don't know you're alive  
The highway don't care if you're all alone, but I do, I do.  
The highway won't dry your tears  
The highway don't need you here  
The highway don't care if you're coming home, but I do, I do. I can't live without you, I can't live without you,  
baby  
I can't live without you I can't live without you, baby, oh baby The highway don't care  
The highway don't care  
The highway don't care, but I do, I do. I can't live without you, I can't live without you, baby (The highway  
don't care, the highway don't care)  
I can't live without you I can't live without you, baby, oh baby (The highway don't care, but I do, I do) I can't  
live without you, I can't live without you, baby (The highway don't care, the highway don't care)  
I can't live without you I can't live without you, baby (The highway don't care, but I do I do) I can't live without  
you, I can't live without you, baby (The highway don't care, the highway don't care)  
I can't live without you I can't live without you, baby, oh baby (The highway don't care, but I do I do) I can't  
live without you, I can't live without you, baby
