

Sally Ann

Doug Clayton

A woman of beauty
A woman of pain
In France or Jakarta
Her shadow's the same
You go home with Sally Ann
You go home with Sally Ann
You go home A woman of kindness
With bracelets of jade
In China, in Japan
Choices are made
You go home with Sally Ann
You go home with Sally Ann
You go home A woman of chances
With no family or friends
In Argentina
She knows only men
You go home with Sally Ann
You go home with Sally Ann
You go home A woman of color
With debts to be paid
In Trenton or Detroit
She lives by the blade
You go home with Sally Ann
You go home
