

Fall At Your Feet

Crowded House

Im really close tonight
And I feel like Im moving inside her
Lying in the dark
And I think that Im beginning to know her
Let it go
Ill be there when you call

And whenever I fall at your feet
You let your tears rain down on me
Whenever I touch your slow turning pain

Youre hiding from me now
Theres something in the way that youre talking
Words dont sound right
But I hear them all moving inside you, go
Ill be waiting when you call

Hey and whenever I fall at your feet
Wont you let your tears rain down on me
Whenever I touch your slow turning pain

The finger of blame has turned upon itself
And Im more than willing to offer myself
Do you want my presence or need my help
Who knows where that might lead
I fall

Whenever I fall at your feet
Would you let your tears rain down on me
Whenever I fall, ever I fall
