

# I Love You

## Screeching Weasel

i love you and you know i always will. i want you and i love you and you know i always will. i love you, yes i  
do and you know i always will. i want you and i love you and you know i always will. i love you. i love you and  
you know i always will. i want you, i want you now. i want you and i love you and you know i always will. i  
want you here with me. i want you and i love you and you know i always will.
