

# I'm Nothing Without You

Michael Feinstein, Cheyenne Jackson, David Andrew

(Single male):

You're a great artist and a grand singer.  
When I'm with you, I feel like a band singer.  
There are so few who sing in tune like you.  
I don't know anyone who can croon like you.  
You make it look so easy, like falling off a log.  
So effortless and breezy.  
You're the master and I'm just a dog.  
You're a great partner.  
I'm so keen on you.  
Hold the frank partner, I'm here to lean on you.  
I love your music, each note has rhythm.  
You are pure music, high style and jazz rhythm.  
I'm merely the ignition, and with your key it starts.  
Don't ask a mathematician.  
We're more than the sum of our parts.

(Male voices)

I'm nothing without you.  
Without you I lack what it takes.  
Unless we're combined, I'm flyin' half blind.  
I'm constantly making mistakes.  
Without you, I'm nowhere,  
and no one, no one will recall.  
I'm nothing without you.  
Without you I'm nothing at all.(Single male voice)  
All my daydreams begin and end on you.  
You don't know just how much I depend on you.  
I am sky high when I spend time with you.  
I'm in orbit the instant that I'm with you.  
I've taken time to wise up.  
You gave me all I lack.  
I'm opening up my eyes up, and facing the obvious fact.

(Male voices)

I'm nothing without you.  
Without you I just disappear,  
right into thin air and no one would care(Single): and notice I ever was here.(Male voices)  
Without you, I'm hopeless.  
I'm not even good for a song.(Single): You've done every tune that I wanted to do.  
(Single): We've settled the issue, I wish I were you!(Male voices)

Now we're together, together is where we belong.
