faster kill pussycat

[unknown]

Faster kill faster still pussycat
I can't stand to see you cry
Honey, you know where the world is at
Get what you want with your lucky eyes
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
Better wake up this sleep head
Big old world will pass us by
So many things we could do instead
Get what you want with your lucky eyes
Faster kill faster still pussycat
Those high heels are not your friends
Honey you know where the world is at
Come home with me when the party ends
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
Pussycat, pussycat
Heaven knows I tried to let you go
I can't help myself, you know I'm out of control
Heaven knows I tried to let you go
I can't help myself, I think I'm losing control
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
You turn me on
You know your turning me, you know your turning me on
