Damn Girl

The All-american Rejects

Damn girl, damn girl
Damn girl, damn girl
Damn girl, damn
Damn girl, damn girl
Damn girl, damn girl
Damn girl, damn
Listen to me
I've been around the world, seen a million hunnies
Really special girls, gave all my time and money
But, there's something 'bout ya, something that's kinda funny
Girl, it's what you do to me
Don't need no Maybelline 'cause you're a beauty queen
Don't need no L'oreal 'cause bitch you're bad as hell
If I'm a Casanova? Then you're a Supernova
Girl, it's what you do to me
That's got me saying, damn girl, you're so fine
The way you let me put it down, girl, blows my mind
I guess I gotta put it down tonight
I gotta put it down
Damn
Damn girl, damn girl
Damn girl, damn girl
Damn girl, damn
Give me something
Damn girl, damn girl
Damn girl, damn girl
Damn girl, damn
I said there's something bout the way you do the things you do
When you do the things you do, it' got me
I said there's something bout the way you do the things you do
When you do the things you do, its got me
I said you don't need no Maybelline 'cause you a beauty queen
Don't need no L'oreal 'cause bitch you're bad as hell
If I'm a Casanova? Then you're a Supernova
Girl, it's what you do to me
It's got me saying, damn girl, you're so fine
The way you let me put it down, girl, just blows my mind
I guess I gotta put it down tonight
I gotta put it down

Baby, give me some of your tasty
Cinnamon give me some of your feminine gelatin
'Cause got a cinnamon going crazy
Hey, ba-ba-baby, baby
You the one I've been feigning for
When I'm dreaming I'm dreaming of you
When you're gone I've been screaming for ya
So why don't you be my chick and stuff
Take you out to dinner and catch the funky stuff?
If we spend time I'll never get enough
You're so fine make a brother blush
Got me looking like a black grape and stuff
First time saying you had me gonna crush
And if you ever give it to me, give it to me rough
You got me saying, got me saying
You got me saying, damn girl, you're so fine
The way you let me put it down, girl, just blows my mind
So now I guess I gotta put it down tonight
I gotta put it down
I'm saying, damn girl, you're so fine
The way you let me put it down, girl, blows my mind baby
I guess I gotta put it down tonight
I gotta put it down
I said there's something 'bout the way you do the things you do
When you do the things you do, it's got me
I said there's something 'bout the way you do the things you do
When you do the things you do, it's got me
Sing it with me, go, something 'bout the way you do the things you do
When you do the things you do, it's got me
Sing it for me, go, something 'bout the way you do the things you do
When you do the things you do, it's got me
Damn girl, damn girl
Damn girl, damn girl
Damn
Damn girl, damn girl
Damn girl, damn girl
Damn girl, damn
