

# Big Easy

## Raphael Saadiq

Mmmm mm mm  
Yeah  
Whoa  
Ay-ay ay ay[Verse]  
Somebody tell me  
What's going wrong  
I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
They say them ladies broke  
And my baby's gone  
Listen  
It's been a couple of days  
And real dark nights  
I miss my only child  
I aint seen her since that night  
She left home about eight  
And never to return  
Our body's floatin' -- Floatin' into that river[Chorus]  
I gotta know  
What's going wrong  
I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I aint seen my baby  
In far too long[Verse]  
I been searching all around  
Day and day and night  
Somebody please tell me  
I need to feel somebody  
So many souls crying  
How could it be?  
'Cuz every step I take  
I can't think  
oh lord please rescue me (fixed by @johnthefig)[Chorus]  
Somebody tell me  
What's going wrong

I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I aint seen my baby  
In far too longPlease somebody tell me  
What's going wrong  
I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I aint seen my baby  
In far too longPlease somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell mePlease somebody tell me!  
Tell me  
Please somebody tell me!

{Somebody tell me}  
Please somebody tell me!  
Come on and tell me  
Please somebody tell me!
