What Went Wrong

Unwound

He appeared in the kitchen and the group was saying:
"She comes with high regard and she gets what she wants"Take your sweet time
You've taken so long
To make up your mind
It might take your whole lifeThe motive was not clear, though they knew it would appear
That they were in the wrong, if he had not taken so long...He endorsed the notion, but they would not hear of it:
"A lack of common sense is where we are concerned"
Take your sweet time
You've taken so long
To make up your mind
It might take your whole life
