Killin' Me

Andrew Ripp

It ain't over
Baby, it ain't over til the credits roll
Starring you and me and that's all we know, so far
I know you love me
But you sure got a funny way of showing me
And love is more than words you throw at me
So hard[Chorus]
I can see through you
To the real thing
And it's killin' me
So if I'm gonna stay alive
I gotta stay away
I hear you cryin' and I'm cryin' too
Cuz it's killin' you
There's no hope in hangin' on
Unless we keep on hangin' on for the better dayI can't help it
Sometimes I dream about what we could've been
And I sure wish life could be as easy as dreamin' this
Every story, every story worth tellin' has a heart to break
And throw my broken place we find way
Somehow[Chorus]Oooh, I heard all your lies
And after all this time I still wanna believe 'em
You wanna keep on talkin' changes
But I, I wanna see 'emI can see through you
To the real thing
And it's killin' me
So if I'm gonna stay alive
I gotta stay away
I hear you cryin' and I'm cryin' too
Cuz it's killin' you
There's no hope in hangin' on
Unless we keep on hangin' on
There's no hope in hangin' on
Unless we keep on hangin' on for the better day
