

# Rhythm Nation

## Janet Jackson

With music by our side  
To break the color lines  
Let's work together  
To improve our way of life Join voices in protest  
To social injustice  
A generation full of courage  
Come forth with me People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation This is the test  
No struggle no progress  
Lend a hand to help  
Your brother do his best Things are getting worse  
We have to make them better  
It's time to give a damn  
Let's work together, come on now People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation Rhythm nation  
(Sing it people, say it different)  
(Sing it if you want a better way of life) Rhythm nation  
(Sing it people, say it different)  
(Sing it if you want a better way of life) Everybody sing  
People of the world today  
Are we looking for a better way of life?  
We are a part of the rhythm nation People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation People of the world, today  
Are we looking for a better way of life?  
We are a part of the rhythm nation People of the world unite strength in numbers  
We can get it right one time  
We are a part of the rhythm nation Rhythm nation, rhythm nation  
Rhythm nation, rhythm nation

Rhythm nation, rhythm nation
