

Down Here

[John Grant](#)

You do this, and you'll get that
I want what I was promised, I'm a bit impatient
And what is it exactly that you think that you deserve
No more, no less, is that ridiculousCause what we got down here is oceans of longing
And guessing games, and no guarantees
And you work so hard to be in control
And now you're laughing at yourself because you can't let goCause all we're doing is learning how to die
Do you really think that nobody see's the fear behind your smile?
And why do you care what anybody thinks at all
It's all going to the same thing in the endAnd what we got down here is oceans of longing
And guessing games, and no guarantees
And you work so hard to be in control
And now you're laughing at yourself because you can't let go
And what we got down here is oceans of longing
And guessing games, and no guarantees
And you work so hard to be in control
And now you're laughing at yourself because you can't let go
