Life Goes On

Stereoside

I'm gonna take today
I'm gonna use it like a stone
Just like yesterday and the day beforeI'm gonna end this pain
And the draggin' on
I'll try anything at least once or moreOh I'm damned if I do and damned if I don't
Rake my own self up against the wall
Damned if I will and damned if I won't
Life goes on... yeah... life goes on.
