

Jake Jeckel

Insane Clown Posse

Boom shaka boom
Boom boom boom
Boom shaka boom
Boom boom boom Ladies and gentlemen meet your guardian
Your keepers of morals, kindness
The path to Shangri-La is led by he led by you
He is of your positivity, he is of your love
Meet one half of the juggling duo
That is your soul I'm talkin' about
Jake Jeckel Jack throw another, Jake catch one more
They'll try to catch all that's in store for you
How many souls will fall from the sky?
How many souls burned wondering why?
