Transcriber: Awcantor@aol.com(harmonica & instrumental)I'm lost in a dream
I nearly lost my mind
Well, I'm lost in my dream
I can't keep from cryin'I'm lost in a dream
All because of you
And I'm lost in my dream
Don't know what to doWell, sittin' down by the window
Watchin' the raindrops fall
Yeah, I'm thinkin' 'bout you darlin'
Well, I'm a hopin that you might callLord, tell me please
I nearly lost my mind
And I'm lost in my dream
Well, all the time(harmonica & instrumental)Well, a-sittin' down by the window
Just like we used to do
Well, I'm thinkin' of you darlin'
Oh, but baby I missed youLord, tell me please
I nearly lost my mind
And I'm lost in my dream
All the time.Unk: 'That'll finish it'~
