You Don't Believe Me

Stray Cats

I never understand what you do to me
But I'll never get right down on bended knee
But I cry and I cry and I cryI don't think you know, you've done me wrong
But still, I've been in love now, oh so long
But I try and I try and I try
And you don't believe meI give you my house, my heart, my home
When I'm gone, you're not alone
You never hear a thing I say
And it happens every dayWhy, why, why, why, why, why are you never home
While I, I, I, I, I sit here by the phone?
'Cause I try and I try and I try
And you don't believe meOh Lord, I give you my house, my heart, my home
When I'm gone, you're not alone
You never hear a thing I say
And it happens every dayWhy, why, why, why, why, why are you never home
While I, I, I, I, I sit here by the phone?
'Cause I try and I try and I try
And you don't believe meWell, I try and I try and I try
And you don't believe me
Well, I try and I try and I try
And you don't believe me
