Hey Driver

Dale Watson

[Verse 1:]Sparks fly, i hit the ground running
I'm in the air on the side of the road
Good work.. never comes easy
Hey Driver to the top of the world [x2]
Come on i'm not full of my right shoulder with confidence
[Chorus:]and here i come
westbound
leave the motor running because i'm on the run
in this crowded world i'll be high waiting when the last train comes
[Verse 2:]Dark Skies, i feel my heels burning
False hi's to the end of the road

No doubt, i've got alot of learning
Hey driver to the top of the road
Come on i'm not full of my right shoulder with confidence
[Chorus][Verse 3:]Sparks fly, i hit the ground running
I'm in the air on the side of the road
Good work.. never comes easy
Hey Driver to the top of the world
Sparks fly, i hit the ground running
Time stops at the end of the road
The big deal lot, the deals beginning
Hey Driver to the top of the world [x9]
