Thunk

Jefferson Airplane

Sittin' around thinkin'
Thinkin' and a thinkin'
And it ain't doin' me no goodWell, I thunk and thunk
Couldn't think of anything better
I tried and tried, tryin' ain't doin' me no goodI write to you everyday
What could be my very last letter
Come what may I sayThinkin' ain't doin' me no good, oh
Thinkin' ain't doin' me no good, people
Thinkin' ain't doin' me no good, no goodI want to know
If everything that's sung will remain
Within the structure of the person whose mind I wish to claimPlease don't say that wantin' you
Won't do me no good, no
Please, oh please don't sayWantin' you ain't doin' me no good, oh
Wantin' you ain't doin' me no good, woman
Wantin' you ain't doin' me no good, no goodWell I thunk, thunk, thunk, thunk a lot about you
Realized my thunk is nothin' but a lot of funk
Bunk down on in my placeOnly a dream, hmm
Only a dream, hmm
Only a dream, hmmThinkin' ain't doin' me no good, oh
Thinkin' ain't doin' me no good, people
Thinkin' ain't doin' me no good, no good
