

# Somebody Loves You

## Plumb

She writes poetry  
She plays the violin  
She tries to play the part  
Somehow she never wins  
She grabs a stick of gum  
After her cigarette  
She puts on a smile  
And tries to hide a messAnd makes herself a home in loneliness  
And fixes her dress  
Somebody loves you  
Somebody loves you  
Somebody loves you  
Just the way you are  
And I can't fix you  
And I can't change you  
But I can love you  
Just the way you are  
Just the way you areShe drives a rusted car  
It's always out of gas  
She paints her fingernails  
Every shade of black  
She makes mistakes  
She makes them laugh  
She tries so hard  
Not to let me down  
When will she just learn to love herself?  
Oh really love herselfSomebody loves you  
Somebody loves you  
Somebody loves you  
Just the way you are  
And I can't fix you  
And I can't change you  
But I can love you  
Just the way you areI'm here, I'm not going anywhere  
I'm scared you go too far  
When tear can turn into an ocean of regret  
So don't forgetSomebody loves you  
Somebody loves you  
Somebody loves you

Just the way you are  
And I can't fix you  
And I can't change you  
But I can love you  
Just the way you are Somebody loves you  
Somebody loves you  
Somebody loves you  
Just the way you are  
And I can't fix you  
No I can't change you  
But I can love you  
Just the way you are Oh how I love you  
Just the way you are  
Just the way you are Somebody loves you  
Somebody loves you  
Somebody loves you  
Just the way you are
