Spend It With You

The O.C. Supertones

Had an old friend call me up this morning
Telling me about how he had changed
His life's not the same
Warning me about a place
So far away from heaven's grace
And how life is no simple gameI thought about it, laughed out loud
Only fools would dare reject it
I decided to just accept it
I thought about it and I sang this song
Thought about the day when
I'd be singing to you all day long'Cause I, I wanna spend it with you
I wanna live in the service of heaven
I, I wanna spend it with You
From all eternity to foreverGot another call from a friend this morning
Telling me I didn't have to wait
'Til I walked through the gates
That heaven's with me everyday
And every step along the way
I take with me takesI thought about it, laughed out loud
How much better could this get
I've barely even started yet
I thought about it and I smiled so wide
Now I can spend everyday walking close to Jesus' side'Cause I, I wanna spend it with you
I wanna wake up and say good morning
I, I wanna spend it with you
I wanna know in your heart that you're with meCalled up my old friend this morning
Telling him about how I had changed
My life's just not the same
Warning him about a place
So far away from heaven's grace
And how life is no simple gameHe thought about it, he laughed out loud
Only fools would dare reject it
He decided to accept it
He thought about it and said that he
Only wished I didn't wait
To call him up and tell him this'Cause I, I wanna spend it with you
I wanna walk streets of gold together
I, I wanna spend it with you
From all eternity to foreverI, I wanna spend it with you

I wanna walk streets of gold together
I, I wanna spend it with you
From all eternity to forever
