

Where do I go now?

Kane

With my head against the window
Seal the letter which I did not sign
Should I wait for you for one last time There's no end and no beginning
Every word comes like a silent scream
She told all the things I did not see How could I know
That she would lift me up to let me down
How could I know
That you are all that really matters now
How could I know
That forever wasn't quite so long So where do I go now
Where do I go yeah, now
Where do I go yeah She says nothing's everlasting
I'm so confused, I don't know what to do
What to say
I'll forgive you but I can not stay How could I know
I thought you'd wait for me but I was wrong
How could I know
That you are all that really matters now
How could I know
That forever wasn't quite so long So where do I go now
Where do I go yeah, yeah
Where do I go, yeah Oh ooh yeah eh yeah Oh yeah
So where do I go now
Where do I go yeah yeah
Where do I go yeah
I said where do I go yeah go yeah go ooh oh Where do I go now
I said where do I go yeah baby yeah come on now
Where do I go yeah Oh She says nothings everlasting She says nothing's everlasting
