

(I'll Remember) In the Still of the Night

The Five Satins

Woah, in the still of the night

I held you

Held you tight

Woah, I love

Love you so

Promise I'll never

Let you go

In the still of the night

(In the still of the night)

I remember

That night in May

The stars were bright above

I'll hope and I'll pray

To keep

Your precious love

Well, before the light

Hold me again

With all of your might

In the still of the night

(In the still of the night)

So, before the light

Hold me again

With all of your might

In the still of the night

(In the still of the night)

In the still of the night
