

# Bells Are Ringing

## Judy Holliday

No presents, no candy, no treat  
No stockings hung by the fire  
No parties, no family to greet  
No angel's heavenly choirsBells are ringing all over the world  
Bells are ringing calling the light  
Bells are ringing all over the world  
All over the world tonightNo doorways, no windows, no walls  
No shelter here on the ground  
No standing and no safe place to fall  
Just the promise of this distant soundBells are ringing all over the world  
Bells are ringing calling the light  
Bells are ringing all over the world  
All over the world tonightWherever you're walking tonight  
Whoever you're waiting for  
Somehow by the stable's faint light  
Peace in your heart is restoredBells are ringing all over the world  
Bells are ringing calling the light  
Bells are ringing all over the world  
All over the worldBells are ringing all over the world  
Bells are ringing calling the light  
Bells are ringing all over the world  
All over the world tonight
