

Armagideon Time

The Clash

I stayed around dont played around
This old town too long
Seems like I got to
Travel onA lotta people won't get no supper tonight
A lotta people won't get no justice tonight
The battle is getting harder
In this iration, Armagideon timeA lotta people running and hiding tonight, ah
A lotta people won't get no justice tonight
Remember to kick it over
No one will guide you, Armagideon timeOoh, ooh, ooh, ooh
Ooh, oh oh oh
This ol' townIvan and Fu-Manchu
They both are coming through, yeahYeh, a lotta people [Incomprehensible]
A lotta people [Incomprehensible]
Oh remember to kick to it over
No one will guide you, through Armagideon timeIts Armagideon
Its not Christmas time anymore
Its Armagideon
A lotta peopleAll right, times up, lets have you out of here
Okay, okay, dont push us when were hot!A lotta people wont get not a supper tonight
A lotta people sitting down, by the light, ah!
A lotta people won't get no a supper tonight
A lotta people a won't get no a justice tonight
Remember, a kick it over
No one will guide you through Armagideon time
