

# Free My Mind

## David Allan Coe

I'm a cosmic cowboy, a big time player  
I like Pantera, Kid Rock and Slayer  
I like Ice-T, the rapper I mean  
When it comes to drinkin' I like Jim Beam I play Washburn guitars with a rebel flag  
But I don't wear make-up or dress in drag  
I smoke a lot, I'm a whiskey drinker  
I ain't no hick songwriter, I'm a pretty deep thinker I'm glad you came to see me put on a show  
My name is David Allan Coe I came to let you know that I've been tryin' to have a real good time  
Forget about thinkin', tryin' to free my mind, yeah  
I've been tryin' to have a real good time  
Forget about thinkin', tryin' to free my mind I own my own Limousine and a Cadillac  
I got a million dollar tour bus and that's a fact  
I ain't broke but I ain't rich  
I call women, honey not hoe or bitch I'm into Tanya Tucker, Twisted Brown Trucker  
The Allman Brothers Band and Marshall Tucker  
I'm not in this for money, I do it for fun  
And I don't shoot dope but I will shoot my gun I ain't no phony dude, I'm the real thing, baby  
Just like Rob Zombie just like Slim Shady And I've been tryin' to have a real good time  
Forget about thinkin', tryin' to free my mind, yeah  
I've been tryin' to have a real good time  
Forget about thinkin' tryin' to free my mind, yeahYou know I love Uncle Kracker, he's a cool DJ  
I like Prince Purple Rain, Hendrix Purple Haze  
I like Hank Williams Sr., Hank the third and his dad  
Hank Williams Jr., I mean he's bad Willie Nelson, Waylon too  
I like Newgrass, Bluegrass and Emmylou  
I like Pete Seeger, Bob Seeger, Motorhead  
Natalie Cole, Bill Monroe and the Grateful Dead You know I tried to quit smokin' but I might be slippin'  
I don't like Acid Rock but I might be trippin' I've been tryin' to have a real good time  
Forget about thinkin', tryin' to free my mind, yeah  
I've been tryin' to have a real good time, yeah  
Forget about thinkin', tryin' to free my mind
