Late Afternoon

The Coral

It's late afternoon
Smoke fills the room
The actor sighs
Dogs barkin' outsideThe night seems the same
It sleeps in the day
The actress cries
For their last goodbyesIt's always this way
Every time
Every time
You're passin' me byOn days like these
Walk to the sea
It's too hard to find
Mirrors collideThe end of the street
The place where we meet
With tears in our eyes
And stay for a whileIt's always this way
Every time
Every time
You're passin' me byIt's late afternoon
You enter the room
The music dies
And leaves us behindIt's all just a game
Every time
Every time
Every time
