Perfect Love

Jaicko

Ooh baby
We'll be riding this for so long
What is blue
And even when thigs start to get hard
We know what to do
And i just want let you know how precios are too
Toghether i do, i do
Unconditional
Girl what we have it's something indescribable
Never felt so right
And i know it's ...
Got this feeling inside
I want it to last a life time
Got me feeiling like
Feel like i'm on top of the world with you girl
Cause everything we do right know is so perfect baby
You know we took a wile to get this far
But it's worth it baby
I got your heart
You got mine
And this is the perfect love
Perfect love
Yeeh
They don't won't it with us
they don't want it now
They got nothing on us
They got nothing now
They don't won't it with us
Cause we got the perfect love
Oooh baby
Can't see my self tatoo at another ladys heart
And I could even go one day with out you this crazy
Girl we got all time in the world but if I poop that question on you girl
I'm sure you say i do, i do
Cause it's unconditional
Girl what we have it's damn indescribable
Never felt so right
And i know it's ...
Got this feeling inside

I want it to last a life time
Got me feeiling like
Feel like i'm on top of the world with you girl
Cause everything we do right know is so perfect baby
You know we took a wile to get this far
But it's worth it baby
I got your heart
You got mine
And this is the perfect love
Perfect love
Yeeh
They don't won't it with us
they don't want it now
They got nothing on us
They got nothing now
They don't won't it with us
Cause we got the perfect love
Do the rain and the storm we stuck it out
Never worry about
I bet they wish they have what we got
Oooh girl
So nobody take our love from us
And this thing it's perfect
Yeeh
Feel like i'm on top of the world with you girl
Cause everything we do right know is so perfect baby
You know we took a wile to get this far
But it's worth it baby
I got your heart
You got mine
And this is the perfect love
Perfect love
Yeeh
They don't won't it with us
they don't want it now
They got nothing on us
They got nothing now
They don't won't it with us
Baby girl we're so perfect yeeh now
Hey
And this thing it's perfect
Oooh
