You know it's you  
You know it's you You know it's you  
You know it's you  
So tell me what we gonna do Oh  
Whoa

Whoa My baby  
There's something everytime  
I know baby it's so true I can't explain it  
I just wanna talk to you and tell you how  
I feel every time I see your face  
Baby this love is real  
I cannot let it go  
You know I'm all for you  
So what we gonna do  
What we gonna do Oh  
Whoa Every time I see your face I just gotta talk to you
