# Steep

## Nina

Softly,gently I will let you down
Cause i don't love you, In the same way now
I can hold you, But not with lover's arms
Cause you are more of, A brother to me now

Chorus
And I can lie next to you, But i can't lie to you
So walk into the sun and watch me, Run into the rain
For you the future's easy so don't weep for me,its getting (steep)

I love you for, Exactly who you are
And I'd say we've come the nearest yet by far

Repeat Chorus (Steeper)

From where the dark that's where I want to be
steeper,from going somewhere you won't want to see

So walk into the sun and Watch me run into the rain
For you the future's easy, so don't weep yes,
I will watch you.

Walk into the sun and watch me
Run into the rain drops
For you the future's easy, so don't weep for me, its getting steep
