

# Heaven And Hell

## The Easybeats

Sing me a song, you're a singer  
Do me a wrong, you're a bringer of evil  
    The Devil is never a maker  
The less that you give, you're a taker  
    So it's on and on and on  
    ...it's Heaven and Hell, oh well  
    The lover of life's not a sinner  
    The ending is just a beginner  
    The closer you get to the meaning  
The sooner you'll know that you're dreaming  
    So it's on and on and on  
    Oh it's on and on and on  
It goes on and on and on, Heaven and Hell  
    I can tell, fool, fool!  
Well, if it seems to be real, it's illusion  
For every moment of truth, there's confusion in life  
    Love can be seen as the answer

But nobody bleeds for the dancer  
And it's on and on, on and on and on....  
    They say that life's a carousel  
    Spinning fast, you've got to ride it well  
    The world is full of Kings and Queens  
Who blind your eyes then steal your dreams  
    ...it's Heaven and Hell, oh well  
And they'll tell you black is really white  
    The moon is just the sun at night  
    And when you walk in golden halls  
    You get to keep the gold that falls  
    It's Heaven and Hell  
    No no fool, fool!  
You got to bleed for the dancer!  
Fool, fool, look for the answer!  
    Fool, fool, fool!
