

# Reversing Machine

Joyce Manor

People used to tell me  
That I could buy and sell me  
There's no such thing as luck  
Well, hey, OK  
Then how do you explain  
How things have changed so much  
In the autumn leaves  
High on LSD  
Here comes the campus security  
To take that away from me  
Wanna see for myself  
I wanna see what it means  
But I can't because I'm stuck in a reversing machine  
People used to tell me  
That I could buy and sell me  
There's no such thing as luck  
Well, hey, OK  
Then how do you explain  
How things have changed so much
