I'll Always Be Blue

George Morgan

I'll always be blue when I think of things we used to do
I'll always be sad when I remember the good times we had
I'll cry when I see all those love letter you wrote to me
When I think of you every minute I'll always be blueIf in the night I should weep it's because I miss you in my sleep
If I should wake with a tear in my eye it's because you're not here
I'll wake up lonely at dawn know that all I lived for has gone
I'll spend the lifetime each day wondering what made your love fade awayAnd I'll always be blue...
