Come Together

MC5

I am out, you are in, let us form a link And move in rhythms Slide apart and slide apart Come together, yes, together in the darkness Come with meLet us dance the, let us dance the dance The dance from which all dances come Yes, together in the darkness, astounding, oh Together mama, yes yes yes Together momma, yes yes yes Yes yes yes, yes yesAll the guiding rhythms lover All the nerve that takes a lover Nipples stiffen, nipples stiffen Nipples stiffen, mamaLet me give tongue to it, yes Let me give tongue to it, yes Together in the darkness, come with me, oh Yes yes yes, together momma Yes yes, yes yes, yes yes, wowOh, God, it's getting closer Oh and when it gets closer Oh, God it's so close now God it's so close, yes yes yes Yes yes yes yes, yes yes, ohAll right, build to a rising Build to a gathering, build to a quaking Build to eruption, build to a peak And fall gasping over Together, yes, together in the darknessOww! Now, now, now Oww! Oww! Oww! Yow
