Frank Zappa

Frank zappa (guitar, piano, lead vocals)
Billy mundi (drums, vocals, yak)
Bunk gardner (woodwinds)
Roy estrada (electric bass, vocals)
Don preston (retired)
Jimmy carl black (drums, trumpet, vocals)
Ian underwood (piano, woodwinds)
Motorhead sherwood (soprano, baritone saxophone)
Suzy creamcheese (telephone)
Dick barber (snorks) Right now I have two hit-records on the charts
But that has not made me any money
It is so ... boy, and a lot of work
Which I do, I mean, I'm carryin' it out...
You're a lonely little girl
But your mommy & your daddy don't
Care
You're a lonely little girl
The things they say
Just hurt your heart
It's too late now
For them to start
To understand
The way you feel
The world for them
Is too unreal
So you're lonely, lonely, lonely,
Lonely little girl All your children are poor unfortunate victims
Of systems beyond their control...
Where did annie go when she went to town?
Who are all those creeps that she brings around?
All your children are poor unfortunate victims
Of lies you believe...
Where did annie go when she went to town...
