Woman Of Mass Distraction

Alice Cooper

I'm a Shock-Rock Romeo
I like to leave 'em shattered
Oh, I can love 'em and leave 'em
It doesn't really matter
I never met my match
Until I met that lady
She hooked me, she cooked me
She practically filleted me
Some girls try to get you in bed
Some girls are like a kick in the head
Some girls make you wish you were dead
Some girls will make you blue
When you should be seeing red
She's a woman
Some kind of woman
I got a woman
A woman of mass distraction
The first time I saw her
She said she want to date me
The next time I come back

She tried to castrate me
Some girls try to get you in bed
Some girls are like a kick in the head
Some girls make you wish you were dead
Some girls will make you blue
When you should be seeing red
She's a woman
Some kind of woman
I got a woman
A woman of mass distraction
She's a woman
Some kind of woman
I got a woman
She's a woman
She's a woman
Some kind of woman
She's a woman
Some kind of woman
