

# Woman Of Mass Distraction

Alice Cooper

I'm a Shock-Rock Romeo  
I like to leave 'em shattered  
Oh, I can love 'em and leave 'em  
It doesn't really matter  
I never met my match  
Until I met that lady  
She hooked me, she cooked me  
She practically filleted me  
Some girls try to get you in bed  
Some girls are like a kick in the head  
Some girls make you wish you were dead  
Some girls will make you blue  
When you should be seeing red  
She's a woman  
Some kind of woman  
I got a woman  
A woman of mass distraction  
The first time I saw her  
She said she want to date me  
The next time I come back

She tried to castrate me  
Some girls try to get you in bed  
Some girls are like a kick in the head  
Some girls make you wish you were dead  
Some girls will make you blue  
When you should be seeing red  
She's a woman  
Some kind of woman  
I got a woman  
A woman of mass distraction  
She's a woman  
Some kind of woman  
I got a woman  
She's a woman  
She's a woman  
Some kind of woman  
She's a woman  
Some kind of woman
