

# 24 Hour Break-up Session

## Local H

Hey, you kind of are successful  
You're totally approachable  
You're waking up your world view  
I feel like I don't know you You're looking fine in your skin  
I'm thinking that I hate you Uunh, your dreams are coming true now  
Persistence has paid off  
You're well poised and you're healthy  
You're dressing like you're wealthy You're looking fine in your skin  
I'm thinking he can have you Not a junkie, you're just a groupie  
But only a groupie would ever wanna love me You're looking fine in your skin  
And to think I used to fuck you
