Royal T (Kashii Remix)

Crookers

I can letcha have, I can letcha have, I can letcha have, I can letcha have your way.
I can letcha have, I can letcha have, I can letcha have, I can letcha have your way (letcha have your way).
I can letcha have, I can letcha have, I can letcha have, I can letcha have your way (letcha have your way).
I can letcha have, I can letcha have, I can-I can-I can...I can letcha have your say. I can hear wanting.
If ya give all it is, I don't need to care too much.
Anyway you play with it, you can get away with it.
I don't wanna cry no more. Why you gotta take it for?
(Don't wanna care)
And if the truth were told, I would put it all on hold
Just for another hour in there with you.
So I don't need to steal your flow.
Baby, I can let you go anytime you say so.
Baby, I can let you know...Oh! I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby baby I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby c'mere I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby c'mere - mood right now Save me from the truth, oh how I don't want to hear the alarm.I don't have to feel your charm charm charm charm
You don't have to break my arm.
I don't have to feel your charm charm charm charm
I don't wanna hear the alarm.
I don't have to feel your charm charm charm charm
You don't have to break my arm.
I don't have to feel your charm charm charm charmI don't wanna hear the alarm.This bird in the hen is time without plans no chiming of bells.
No stopping the wreck no sense of the threat no sound of alarms.
I don't have to feel your charm charm charm charm
You don't have to break my arm.No I don't want to count the cause. I don't want to love too much.
Couldn't give it all away.
And I pray for another way.
Oh, I can not describe it, I don't wanna try it
Cause we left it undecided, opinions divided.
(Don't wanna care)
Oh, now I gotta live in a head, like an unmade bed
When you're forced to give me hope
And I can't cope.
Maybe I can steady your flow, tell me whatcha know.
How to make a true love go. How to make a true love glow.

How to make a true love grow.Oh! I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby baby I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby baby I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby c'mere I don't wanna hear the alarm You don't have to use your charm You don't have to break my arm Sleepin' dogs are always lyin' I decide when I decide I am in the mood right now Baby c'mere - mood right now Save me from the truth, oh how I don't want to hear the alarm.I don't have to feel your charm charm charm charm
You don't have to break my arm.
I don't have to feel your charm charm charm charm
I don't wanna hear the alarm.
