

# Animal

## XOV

I want your life  
You're mine tonight  
I want it all  
Do you bite?  
Well, so do I  
Yeah, I'm an animal  
You be the prey  
And I'll be the predator  
I want it all  
I can't be tame  
I'm a blood killer  
With you, I'm an animal
