

Love Me Like I'm Leaving

Sugarland

[Verse 1]

In the closet right there in the back

If you want it, I'll go get my bag

And I'll say it's the end of us

And you'll ask me if I love you

Well, I must[Chorus]

I'll turn and walk right out the door

Like I've done a thousand times before

Why don't you show me I'm worth more?

More than this one reason

Till you love me like I'm leaving[Verse 2]

Yeah, you watch me get into the car

Well, you always let me get that far

And you'll stand with both hands on the hood

You' think that I won't turn the key

But I could

[Chorus]

I'll turn and run back in the door

Like I've done a thousand times before

Why don't you show me I'm worth more?

More than just one reason

So many more, but you don't see them

Till you love me like I'm leaving[Bridge]

Haven't made up my mind

Won't look back this time

I won't turn around again

So good at goodbyes

Don't look so surprised

This is where it's gotta end

So kiss me hard and let me go

Same old story, different ending though

[Chorus]

I'll turn and walk right out the door

Like I've done a thousand times before

I'm gonna show you I'm worth more

So say your lines like you believe them

Baby one more time with feeling

You can love me like I'm leaving[Interlude]

Oh, I got me

Oh, I got me
Love me like I'm leaving
I'm leaving
You can love me like I'm leaving
I'm leaving
You can love me like I'm leaving[Outro]
I'm gonna show you I'm worth more
I'm gonna show you, I'm gonna show you I'm worth...
(Love me like I'm leaving) More
I'm worth more
I'm worth more
