

Baby Does

Fielfraz

I thought that I dreamt
this shit, would turn out okay
that these stupid events
appeared to make sense in some way
I thought life would still go
like torpedoes flow

It's raining outside
excuses and lies, so beware
no fucking umbrella
can keep you dry now baby
turn over, next page
back to stone age, come

Hey Hey Here comes the monkey
Here comes the monkey
Here comes the monkey
down down down

Hey Hey Here comes the monkey
Here comes the monkey
Here comes the monkey
down down down
