

# Two Step

## Mel Waiters

Say, my love, I came to you with best intentions  
You lay down and give to me just what I'm seeking  
Say love, you drive me to distraction  
Oh Helena, do you believe  
That we might last a thousand years?  
Or more if not for this, our flesh and blood  
It ties you and me right up, tie me down  
Oh well, celebrate we will  
Ooh ?cause life is short but sweet for certain  
Hey, we're climbing two by two  
To be sure these days continue  
Things we cannot change  
Change, why would I want to change it?  
Hey, Helena, you came to me like wine comes to this mouth  
Grown tired of water all the time  
You quench my heart and oh you quench my mind  
And say, celebrate we will  
?Cause life is short but sweet for certain  
Hey, we're climbing two by two  
To be sure these days continue  
Things we can [incomprehensible]

Let's celebrate  
(Celebrate we will)  
Oh you and me  
(Climbing two by two)  
Climbing two by two  
(Climbing two by two)  
To be sure these days continue  
Things we cannot change  
Change, change  
Oh Helena, I came to you with best intentions  
You lay down and give to me just what I'm seeking  
Say love, watch me celebrate  
Celebrate we will  
?Cause life is short but sweet for certain  
Hey, we're climbing two by two  
To be sure these days continue  
Things we can [incomprehensible]

(Celebrate we will)  
(Climbing two by two)  
(Climbing two by two)  
(To be sure these days continue)  
Things we cannot change
