

# Brand New Day

[Ryan Star](#)

I stayed in one place for too long  
Gotta get on the run again  
I saw the one thing that I want  
Hell bent, get out of bed I'm throwing rocks at your window  
You're tying the bedsheets together  
They say we are dreaming too big  
I say this town's too small Dream, send me a sign  
Turn back the clock, give me some time  
I need to break out and make a new name  
Let's open our eyes to the brand new day  
It's the brand new day I've taken hits like a brawler  
But I'm getting back up again  
And from the moment I saw her  
I was hell bent with heaven sent I'm throwing rocks at your window  
We're leaving this place together  
They say that we're flying too high  
Get used to looking up Dream, send me a sign  
Turn back the clock, give me some time  
I need to break out and make a new name  
Let's open our eyes to the brand new day  
It's the brand new day It's the brand new day  
I know it's the brand new day  
Come on to the brand new day  
I know it's the brand new day Dream, send me a sign  
Turn back the clock, give me some time  
I need to break out and make a new name  
Let's open our eyes to the brand new day  
It's the brand new day Dream, send me a sign  
Turn back the clock, give me some time  
I need to break out and make a new name  
Let's open our eyes to the brand new day  
It's the brand new day
