

Crush

Glee Cast

Ah, crush, ahI see ya blowin' me a kiss
It doesn't take a scientist
To understand what's going on baby
If you see something in my eye
Let's not over-analyze
Don't go too deep with it baby (baby)So it'll be, what it'll be
Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll play loose
Not like we have a date with destinyIt's just (aah) a little crush (crush)
Not like I faint every time we touch
It's just (aah) some little thing (crush)
Not like everything I do, depends on you
Sha-la-la-la, sha-la-la-laIt's raising my adrenaline
You're banging on a heart of tin
Please don't make too much of it baby
Say the word "forever more"
That's not what I'm looking for
All I can commit to is "maybe"So it'll be what it'll be
Don't make a fuss and get crazy over you and me (crazy over you and me)
Here's what I'll do
I'll play loose
Not like we have a date with destiny (Ooh ooh)It's just (aah) a little crush (crush)
Not like I faint every time we touch
It's just (aah) some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, sha-la-la-laVanilla skies
White picket fences in your eyes
A vision of you and meIt's just (aah) a little crush (crush)
Not like I faint every time we touch
It's just (aah) some little thing (crush)
Not like everything I do (everything I do) depends on you
Sha-la-la-la (ah hey yeah yeah)
Sha-la-la-la
Sha-la-la-la (oh babe not like everything I do depends on you)
Sha-la-la-la
Sha-la-la-la (ah hey yeah yeah)
Sha-la-la-la
