

# Great Man

## Aaradhna

I've let you down (let you down)  
Too many times (times times times times)  
It breaks my heart (heart)  
Cause when I look in your eyes I see the scars (I see the scars)  
I hate myself every time I think about all the times I made you cry (made you cry)  
And you deserve so much better  
I don't know  
But I just can't let you goHurt you never  
I won't do it again  
I swear (I swear)  
Hurt you never  
I won't do it again  
I swear (I swear)Got a good man (got a good man)  
Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedGot a good man (got a good man)  
Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedI know you try (know you try)  
To forget the past and let it slide  
It's my fault, my bad  
But I know in my heart  
It'll be alright  
I just can't handle the thought of losing you  
I would rather, I'd rather die  
So don't you leave, I'll make it better for you and me  
Forever happilyHurt you never  
I won't do it again  
I swear  
Hurt you  
I would never  
Ever do it again  
I swearGot a good man (got a good man)  
Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedGot a good man (got a good man)  
Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedGot a good man (got a good man)

Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedGot a good man (got a good man)  
Better than good, he's great  
Got a great man (got a great man)  
And I don't wanna take that shit for grantedI don't wanna take that shit for granted
