Pagal ki na bole?

Chagal ki na khai?

Kuch bolo ke ni? Is there nothing that a madman wont say?

Is there nothing that a goat wont eat?

Common sense

Misinformation received by the common man Youve been just as deceived

An effect that was planned by the powers that be

A most effective tool for division and rule

A most effective tool for division and rule And people of different cultural persuasions

Start to develop hindered relations

So what can be done to dissipate the friction?

Gotta separate the facts, yes, the facts from the fiction Ah, I , I dont know

Ah, I , I dont know

Ah, I , I dont know

But once they get, get here

There is no knowing what theyll get up to All this talk about housing

Just a method of arousing bad feeling

Appealing to peoples prejudice

And then they redirect their lack of self respect

Towards a visible target, a visible target You seem to have forgotten

That the apple has always been rotten

And that black people are not the cause of your problems

Black people are not the cause of your problems Were often told that this countrys bursting at the seams

Were never told that there are in fact more people

Leaving than entering

Immigration has become synonymous with black people

Yet over sixty per cent of immigrants are white Things were good in the good olden days they say

Jobs in the factories, economic slaves

We kept our doors open right throughout the day

But the poverty was such that there was nothing to nick anyway Black people constitute less than

Six per cent of the population

Start to develop hindered relations

So what can be done to dissipate the friction?

Gotta separate the facts, yes, the facts from the fiction Enough is enough

Immigration must stop
This countrys bursting at the seams
This countrys going to the wogsOh, the sun has got its facts wrong
Hip, hip, hooray [unverified]
The sun has got its facts wrong
And its fucking up my dayA race war thats what theyre fighting for
Rivers of blood is what they want
By claiming influx, a flood or a swamp
There aint no influx, a flood or a swampAll this talk about housing
Just a method of arousing bad feeling
Appealing to peoples prejudice
And then they redirect their lack of self respect
Towards a visible target, a visible targetYou seem to have forgotten
